

## PRESS RELEASE

31<sup>st</sup>March 2018

### Clarification with respect to the E-way bill System

The e-way bill system for inter-State movement of goods across the country is being introduced from 01<sup>st</sup> April 2018. Few clarifications regarding the new e-way bill system are as follows:

- 1. Situation:** -Consider a situation where a consignor is required to move goods from City X to City Z. He appoints Transporter A for movement of his goods. Transporter A moves the goods from City X to City Y. For completing the movement of goods i.e. from City Y to City Z, Transporter A now hands over the goods to Transporter B. Thereafter, the goods are moved to the destination i.e. from City Y to City Z by Transporter B. How would the e-way bill be generated in such situations?

**Clarification** : -It is clarified that in such a scenario, only one e-way bill would be required. **PART A** of **FORMGST EWB-01** can be filled by the consignor and then the e-way bill will be assigned by the consignor to Transporter A. Transporter A will fill the vehicle details, etc. in **PART B** of **FORMGST EWB-01** and will move the goods from City X to City Y.

On reaching City Y, Transporter A will assign the said e-way bill to the Transporter B. Thereafter, Transporter B will be able to update the details of **PART B** of **FORMGST EWB-01**. Transporter B will fill the details of his vehicle and move the goods from City Y to City Z.

- 2. Situation** : - Consider a situation where a Consignor hands over his goods for transportation on Friday to transporter. But, the assigned transporter starts the movement of goods on Monday. How would the validity of e-way bill be calculated in such situations?

**Clarification**: -It is clarified that the validity period of e-way bill starts only after the details in **PART B** of **FORMGST EWB-01** are updated by the transporter for the first time.

In the given situation, Consignor can fill the details in **PART A** of **FORMGST EWB-01** on Friday and handover his goods to the transporter. When the transporter is ready to move the goods, he can fill the **PART B** of **FORMGST EWB-01** i.e. the assigned transporter can fill the details in **PART B** of **FORMGST EWB-01** on Monday and the validity period of the e-way bill will start from Monday.
